Managers are required to support, co-operate and work with the designated management team in City of Dublin ETB and other public departments, agencies and law enforcement bodies, in the detection, reporting and investigation of alleged fraudulent and/or corrupt activity, including the prosecution of alleged offences.

It is the responsibility of all employees to conduct their business in such a way as to mitigate the risk of fraud and/or corruption occurring in the workplace. Employees must also be alert to the possibilities of fraud and/or corruption and be vigilant with regard to any indications of fraud or corruption.

All employees have a duty to protect City of Dublin ETB from instances of fraud and/or corruption. Employees are expected to identify processes and procedures that may be vulnerable to fraud and/or corruption and to draw such instances to the attention of management in their area. Fraud and/or corruption can be detected at any level within the organisation and the following general principles should apply in the reporting of suspected fraud and/or corruption:

- (i) A person who suspects that fraudulent or corrupt activity may be taking place should, in the first instance, report the matter to his/her immediate line manager. Should it be considered inappropriate to make such a report to the direct line manager, the report should be made to the Head of HR or to a member of City of Dublin ETB's executive. The line manager, Head of HR and member of the executive, as appropriate, are collectively referred to as 'a relevant party' for the purpose of this Policy.
- (ii) Once an allegation of suspected fraud/corruption is made to a relevant party, the relevant party shall report the allegation directly to the Director of Organisation Support and Development (Administration) ("Director of OSD (Admin)") (or to the Chief Executive if the allegation is made against the Director of OSD (Admin) office).

9.2 Preliminary scoping exercise

On receipt of a report of possible fraud or corruption, the Director of OSD (Admin) will carry out a screening assessment. The assessment should consider whether the alleged wrongdoing is something that can or should be investigated, and, if so, what steps should be taken as part of such an investigation.

9.3 An Garda Síochána

In some cases, the matter may need to be reported to, and investigated by, An Garda Síochána or another body with the statutory power and function of investigation of particular matters.

The Director of OSD (Admin) will be responsible to ensure that the City of Dublin ETB complies with any mandatory reporting obligations imposed by Irish criminal legislation.

The criminal aspect of any fraud or corruption is a matter for the criminal justice machinery of the State. If Gardaí are carrying out an investigation, City of Dublin ETB's investigation shall continue once the Gardaí confirm it is appropriate to do so.

Where a criminal investigation is underway, City of Dublin ETB reserves the right to place an employee on administrative leave.

¹ If the suspected Fraud and/or Corruption involves a member of the Executive Management of the ETB, no investigation of the suspected Fraud should take place until the Chief Executive has been informed. If suspected Fraud and/or Corruption involves the Chief Executive, no investigation of the suspected Fraud and/or Corruption should take place until the Chair of the ETB Board has been informed.

² Where it involves the Director of OSD (Admin) office, the Chief Executive nominee shall inform City of Dublin ETB's Insurers.

9.4 Investigation

If an investigation is required, the Director of OSD (Admin) should consider the nature and extent of the investigation. This could consist of an informal approach for less serious wrongdoings, a detailed and extensive investigation of serious wrongdoings, or an investigation by another body. Some matters may be of such seriousness that the investigation will more appropriately be carried out externally or by professional experts in a particular area.

The Director of OSD (Admin) will liaise with the Chairperson of City of Dublin ETB's Audit and Risk Committee to determine whether the ETB Internal Audit Unit can undertake an investigation of the matter on behalf of City of Dublin ETB in line with the [IAU-ETBs Terms of Reference](#).

In the event that the ETB Internal Audit Unit is in a position to investigate this matter, an engagement letter will issue to the Audit and Risk Committee within 5 working days. The letter of engagement shall outline the anticipated timeframe for an investigation.

In an instance where the ETB Internal Audit Unit is unable to provide such assistance, the Director of OSD (Admin) will arrange for the matter to be investigated by an External Investigator sourced from the appropriate OGP Framework for Investigate Services using defined Terms of Reference.

10. Consequences for employees

Where an investigation is underway, City of Dublin ETB reserves the right to place an employee on administrative leave.

Where it is determined that, as a result of an employee's action or inaction, City of Dublin ETB suffered loss, the organisation retains the right to recoup any such losses through a garnishing of salary and/or pension payments and/or by deductions from salary and/or through the courts for the collection of the debt owed.

Should an investigation determine that there may be a case to answer by an employee, the matter will be referred as alleged gross misconduct into Stage 4 of the relevant disciplinary procedure as appropriate to that employee.

11. Consequences for non-employees

City of Dublin ETB may terminate its relationship with any non-employees who breach this policy and may take appropriate legal recourse to recover any losses incurred by the organisation.

12. Use of CCTV footage as part of the investigation

Where CCTV footage forms part of any evidence relating to an alleged fraudulent or corrupt activity and is accessed as part of an investigation under this Policy, same will be done in line with City of Dublin ETB's CCTV Policy.

The Chief Executive or a delegated officer will be responsible for dealing with any enquiries from the press and other media.

15. Notifying the Department of Education

It is the responsibility of the Chief Executive to notify losses to the Department of Education and the Comptroller and Auditor General's Office.
